April 2019

Dear Parents/Carers,

As you know, research shows that the impact of pupils having a nutritious is immediate to see and helps boost pupil performance. We also know that the children really enjoy having breakfast with their friends and then a quick walk around the field with staff will help all the children to have an enjoyable, healthy and less pressured start to the SATs.

There will be free Shreddies/Cheerios/Crisped Rice and/or Bagels for all of the children provided by the Magic Breakfast initiative.

All Year 6 children should arrive for school at 8.00am and enter via the canopy door (whether they are having breakfast or not).

The children have all worked extremely hard during their time in Key stage 2, in particular during Year 6 and we really hope that they shine and achieve their potential. The SATs are really important as they are used by the DfE and Ofsted to judge the school but most importantly for individual children as it is used by secondary school to set pupils in to classes and predicted GCSE results.

Please do support and encourage your children to do their best by ensuring they go to bed early and get enough sleep. Please do try not to make appointments for children during this time and ensure that they attend school during this important week.

Kind regards

Mrs C Logan
Head Teacher
