5<sup>th</sup> January 2021

Dear Parents and Carers,

Thank you for your continued support while we are navigating our way through the recent changes due to COVID-19.

We envisage being a virtual school until term 4, with provision in school for keyworkers and vulnerable children only. These groups will be cared for by TAs. There will also be member of the core team and member of office staff in school at all times.

All other pupils should follow the guidance below:

**Year 6, 5, 4 and 3** will access remote learning via Microsoft Teams. Please see the attached timetable which begins on Wednesday 6<sup>th</sup> January. You can refer to the Microsoft Teams guides if you need help to access the live lessons and assemblies. These can be found on the school website, Facebook page and have been sent to all parents via Parentmail.

There will be a live year group assembly at 8.45am Monday to Thursday and a Key Stage celebration assembly on a Friday.

As a reading school, there will be a story read by the core team available on Teams every day for children to engage with.

**Year 2, 1, Reception and Nursery** will access remote learning through Tapestry. Please see the attached timetable which begins on Wednesday 6<sup>th</sup> January. There will be daily assemblies on Zoom, times and links for these will be posted on Tapestry. A Key Stage celebration assembly will be held on a Friday.

We will also be organising some whole school activities such as Kindness Day on 11th February and House Quizzes. Do keep an eye out for more information.

Please do see the website and Facebook for other ideas to engage with learning and do encourage the children to read and practice their times tables while they are at home.

An attendance register will be taken daily during assembly for all year groups. We know that attending live lessons and having contact with friends and teachers is both beneficial to the children's learning and their mental health. If your child is unwell and therefore unable to take part in these lessons, please contact the school by email, the absence line or report the absence on Parentmail.

**If children are not attending live lessons, we will be making phone calls home to see how we can support you.**

We appreciate that the disruption to education is challenging for staff, parents and children, however we are trying to do our best to make sure that this does not have an impact on the children's education. Do please try to engage with tasks as much as possible so that children do not get left behind in their learning.

If you have any issues please contact the school by email, phone, Facebook, Teams or Tapestry and we will respond as soon as possible during in working hours.

Wishing you well during this difficult time.

Regards,  
Team Twydall.

## Timetables

### Foundation Stage

9am	10am	10.30am	11.00am	11.30am	12.00pm	1.00pm	2.00pm
