Term 3

Due to the COVID-19 pandemic, and restrictions in how we are able to deliver the curriculum, our curriculum has been slightly adapted.

In KS1 through tapestry we have been able to provide a range of activities from the full curriculum across the lockdown period.

In KS2 for Reading, Writing and Maths, Humanities, Science Art and PSHE. We have left time within the school week for children to access Music, Computing, and P.E and resources are available for parents and pupils on the school website and Facebook page to support this.
