

Moving

Imagine you and your family have moved house and you had to leave your school and friends.

Away

During this time you decide to keep a diary to help you cope with the situation.

The

You have to write two diary entries

Task

Write your first entry just before you leave your current house

- The second after the move, once you have started your new school*

YOU MUST

PLAN YOUR TIME EFFECTIVELY IN ORDER FOR YOU TO BE SUCCESSFUL!!

Think about:

- People and places that you might miss
- *Your feelings about moving*
- *What your new home and school are like*

Planning

This is for very brief notes to help you plan your ideas

REMEMBER you are writing **TWO** entries!

Before the move	After the move

SC-

I can write convincingly and coherently in role	
I can include a rhetorical question in conversation with the diary	
I have made links between the two diary entries	
I have written in paragraphs that structure my work well	
I have written in a specific voice and maintained it throughout	
I have used a wide range of vocabulary including precise language to demonstrate my feelings	
All basic punctuation is used correctly	
I have used a wider range of punctuation such as brackets, dashes	
I can provide context for thoughts and feelings eg I felt...when I told my friends	
I have used clauses to expand my sentences	
I have concluded my diary entry appropriately
