

Year 1 Term 2

Big Bang: Bring in your favourite toy! – Friday 6th November

Trip: Planet Ice – Monday 23rd November

Our Learning Overview

It's a Toy Story

English	**In English, we will be continuing with our learning on how to correctly form our letters and how to write a sentence. We will be focusing on transcription and using capital letters for proper nouns.**
Maths	**In Maths, we will be learning how to add and subtract number within 10. We will be continuing with our number formation and understanding place value. We are continuing our journey of mastering number with additional, regular sessions in the afternoons.**
Science	**In Science, we will be observing and investigating different materials. We will be experimenting with different materials to see which material would work best as a pair of curtains. We will be using adjectives to describe different materials and going on a materials hunt!**
Computing	**In Computing, we will be continuing to log onto the computer and understand the importance of logging out again. We will be learning about internet safety and how to keep ourselves and others safe on the internet. We will be learning about how to collect and analyse data.**
History	**In History, we will be looking at toys from the past and how they have changed over time. We will be bringing in our favourite toys, which we can share with all our friends and playing games that are no longer commonly played today!**
RE	**In RE, we will begin to learn about the importance of Christmas to Christians and how Christmas is celebrated across the world.**
DT	**In DT, we will be constructing our own Christmas decoration. We will be researching Christmas decorations and planning our own one to make.**
PSHE	**In PSHE, we will be celebrating differences in our school community. We will be learning how to use kind words, and what to do if the children or their peers are getting bullied and how they can help.**
PE	**In PE, we will be learning how to use our movements on and off the apparatus and how to make wide, narrow and curled shapes with our bodies. We are learning how to be a champion gymnast. We will be learning how to use our hands when handling balls and how to pass the ball to each other.**

Key information: PE days are Tuesday and Wednesday.
Please read with your child every day and record this in their reading record.
