

Year 1 Term 1

Big Bang: Local walk

Trip: A walk in the local area to compare town and countryside – Date to be confirmed.

Our Learning Overview

Bright lights, Big city

English	**In English, we will be learning how to sit correctly at the table to write, how to write on the line, using finger spaces and writing captions. We will be beginning our learning on how to write a sentence. We will be learning how to form letters as part of our daily handwriting lessons.**
Maths	**In Maths, we will be understanding place value of number 0-10 by working out 1 more and 1 less, comparing numbers using less than, greater than and equal to. Lessons will be carried out in fun and practical activities. We will be ordering objects and numbers, using a number line. We will be looking at part-whole models and how we can use part-whole models to write addition and subtraction number sentences.**
Science	**In Science, we will be learning about our bodies and our five senses. Our learning will take place in the outdoors in co-ordination with The Harmony Project. We will be using vocabulary linked to our smell, sight, hearing, touch and taste.**
Computing	**In Computing, we will be learning about the features of a computer and how to use and respect our equipment. The children will be learning how to log onto the computer and how to navigate around a computer, using a mouse and keyboard. We will also be learning about online safety.**
Geography	**In Geography, we will be learning about the United Kingdom and the four countries, as well as the capital cities. We will be comparing the local area to the countryside, by observing our environments and creating pictograms to compare. We will be looking at the physical features of London as a city.**
RE	**In RE, we will be learning about how different worldviews welcome new life into the world, e.g. baptisms and other celebrations.**
Art	**In Art, we will be researching Sam Gillian as an artist. We will be experimenting with the techniques used and recreating our own pieces of art in the style of Sam Gillian.**
PSHE	**In PSHE, we will be looking at our school expectations, how to be a good person, and how to be safe. We will be learning about our class, rights and responsibilities and rewards and feeling proud.**
PE	**In PE, we will be taking part in teamwork activities to understand how important teamwork is as part of a team. In our outdoor PE, we will be learning how to run safely and in different directions, at different speeds.**
